

## **Glory to God**

(Luke 2:24, Isaiah 9:2, Ps 30:5, John 17:3)

**Out of the darkness shines  
A light that brings us hope  
The Saviour of the world  
Can break every yoke  
All who call on His name  
They shall be saved**

### **Chorus:**

**Glory to God in the highest  
Peace on earth, with whom You are well pleased  
My heart groans for your appearing  
And I long to be more like You**

**Though sorrow lasts a night  
His joy comes with the dawn  
Through silence comes a cry  
Mercy has been born  
This is eternal life  
To know Him**

### **Bridge:**

**Emmanuel You're coming still  
Emmanuel's with us  
(2x)**
