

Let My Lips Be Seasoned

(Col 4: 5-6; Eph 5:18-19; James 1:19)

**Lord, let my lips be seasoned
Speaking with Your love
Every word be pleasing
Lord, change my heart**

Chorus:

**Let my lips, Lord, be filled with Your grace
Walk in wisdom, redeeming the days
Speaking in psalms and spiritual songs
Bringing You praise**

**Help me to answer softly
Being slow to speak
Letting Your living waters
Flow forth from me**

Bridge:

**I need Your Spirit to fill me
Bring Your breath and give me Your life
A coal of fire to touch me
Remove the vile so the precious flows out
So words of life will come forth from my mouth**
